Subject: Support of Assembly Bill 159

Attached is a letter from Presiding Judge Richard Fields of Riverside Superior Court regarding the introduction of Assembly Bill 159 on January 18, 2007. This bill would authorize the creation of 50 new trial court judgeships in the 2007-08 fiscal year. Judge Fields encourages you to contact your area legislators and urge support for this legislation. Also attached is a list of area legislators to assist you in contacting them.

Thank you.
